

## **FRAME FOCUS-EXPLORING BOUNDARIES - Online Photography Competition**

In realm of "Frame Focus," photographers are invited to push beyond the conventional and explore the theme of "Exploring Boundaries." This theme challenges participants to capture images that break through barriers, whether physical, emotional, or conceptual.

Photographers are encouraged to seek out scenes that challenge norms, depict transitions, or reveal hidden perspective to bet been nate and urbanization, the intersection of cultures, or the resilience of the human spirit in overcoming adversity.

are urged to experiment with different techniques and styles to convey the theme effectively. This could involve playing with light and shadow to depict contrasts, using composition to highlight contrasts in textures, or capturing fleeting moments that symbolize transformation.

Ultimately, "Exploring Boundaries" seeks to inspire photographers to look beyond the obvious, to delve into the nuances of their subjects, and to present images that provoke thought and evoke emotion. Whether through poignant narratives or visually striking compositions, participants are challenged to redefine what boundaries mean in the context of photography and storytelling.
